Thanks,

Hi Linda

As the subpoena was issued to you solely for the purpose of obtaining documents, you are correct that you know longer have custody and possession of Lab records and that the subpoena should be re-issued to the new (EOPS) Lab Director. Natalie is correct. Let's talk on Monday with Donna.

Steve

I have been summonsed for the same Commonwealth vs [REDACTED] case that Julie emailed about yesterday. Is there some way to communicate to the defense that I am no longer the keeper of the records, short of showing up in court?

Thanks,  
Linda
